

PRESS RELEASE (October 1st, 2007)

New Consultant: Gemma Bailey

Spatial Vision is pleased to announce the appointment of Gemma Bailey as a Senior Consultant. Gemma comes with a wealth of experience in GIS consulting and project management. Gemma was previously based in Sydney where she undertook projects for a range of government and private sector clients. Her projects included: development of Spatial Data Infrastructures (SDI); enterprise wide surveys of GIS use; development of business cases for integration of spatial technologies, and development of GIS strategies.

Gemma has moved to Melbourne to undertake a Masters of International Business at Melbourne University and work 3 days per week for Spatial Vision.

Who is Spatial Vision?

Spatial Vision works at the leading edge of geospatial and information technology. We develop innovative solutions that integrate geographic information with business applications. We offer unparalleled expertise in the delivery of web-based systems. We produce high quality mapping; supply, manage or audit a wide range of spatial information and undertake sophisticated spatial analysis. We supply and customise GIS applications and provide strategic, actionable consulting advice.

Established in early 1999, Spatial Vision has grown into one of Australia's leading Spatial Information (SI) companies with significant experience in delivering tailored solutions for organisations throughout Australia.

Our Business Partners

In 2002 Spatial Vision was awarded the ESRI New Business Partner of the Year Award.
